

# CERTIFICATE

PROUDLY PRESENTED TO THE PROJECT

Benefits of using screw press for industrial wastewater treatment

A BUSINESS PARTNERSHIP BETWEEN

**FORZA Z** AND **TEKNOFANGHI**

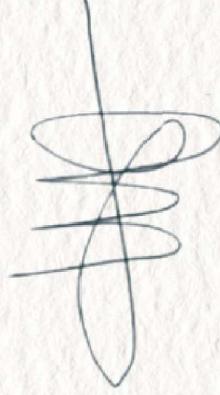

The Low Carbon and Circular Economy Business Action (LCBA) LATAM programme, funded and promoted by the European Union, certifies that the project has fulfilled all the sustainability conditions assessed by an independent expert committee which measures and confirms the positive environmental, economic and social impact of the project.

Bilbao, 02 August 2023
